

Campus Life

The University offers a complete range of modern sports facilities, including tennis courts, baseball field and various other athletic grounds, swimming pool, and gymnasium. Students can participate in numerous club activities, both traditional and modern, and are encouraged to participate in sports and club activities.

Japanese Language Program

About the Program

International students enrolled in the full-time undergraduate course can apply for the Japanese Language Program (JLP). JLP offers small class sizes, and students are divided into groups based on their Japanese proficiency. Additionally, students can take regular university classes with KCUFS students to learn more about Japanese culture and society.

• Program Description

Course Schedule

Students can take Japanese courses for up to 2 semesters.

The Spring Semester starts in early April and ends in late July.
The Fall Semester starts in late September and ends in late December.

Student Support Mentor

Each international student has a student mentor during his or her stay at KCUFS. Mentors will support the international students in their daily lives when they need help, for instance, with banking, post office procedures, or shopping.

Japanese Conversation Partner

International students will be given their own Japanese Conversation Partner to speak Japanese with outside of class. International students and Japanese conversation partners freely set their own times to meet on campus and talk.
